

YESHIVA ARZEI LEVANON "SUSSMANS"

Bringing Out Greatness
During the Pivotal Bais
Medrash Years

How much higher can I reach in my learning, middos, and my avodas Hashem?

CAN I BE GREATER?

These questions, and so many more, are being answered at **Yeshiva Arzei Levanon**

Arzei Levanon, Rabbi Simcha Sussman's Yeshiva, is a Choice Destination in Har Nof for Post-Mesivta Boys, bringing out greatness and cultivating the core of every talmid during the precious bais medrash years.

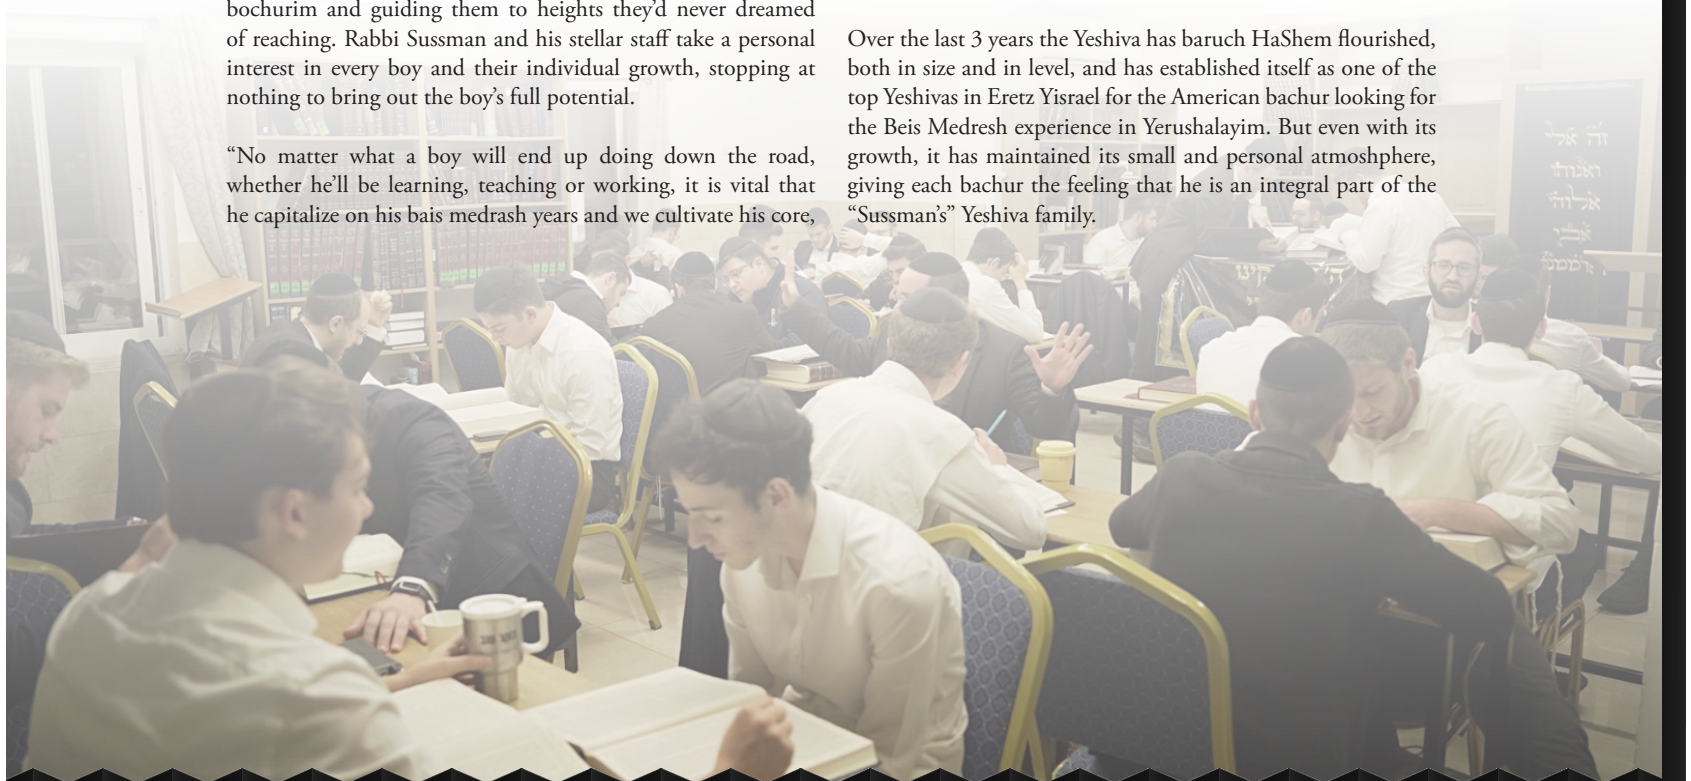

Rabbi Simcha Sussman has a unique ability to connect to bochorim and inspire them to reach higher. This is what stirred him to establish Yeshiva Arzei Levanon in Eretz Yisroel, enabling him to put to use his decades of experience of chinuch, building up bochorim and guiding them to heights they'd never dreamed of reaching. Rabbi Sussman and his stellar staff take a personal interest in every boy and their individual growth, stopping at nothing to bring out the boy's full potential.

"No matter what a boy will end up doing down the road, whether he'll be learning, teaching or working, it is vital that he capitalize on his bais medrash years and we cultivate his core,

nurturing him to be as great as he can be," says Rabbi Sussman. Rabbi Sussman and the rebbeim carefully guide each bochor, identifying the areas in which he can shteig and grow, not just in high-level limud haTorah, but as a person and as an oveid Hashem.

Over the last 3 years the Yeshiva has baruch HaShem flourished, both in size and in level, and has established itself as one of the top Yeshivas in Eretz Yisrael for the American bachur looking for the Beis Medresh experience in Yerushalayim. But even with its growth, it has maintained its small and personal atmosphere, giving each bachur the feeling that he is an integral part of the "Sussman's" Yeshiva family.
